

Verschillende Emus gebruiken verschillende Keyfiles.  
b.v. keylist en rsakeylist worden gebruikt door de newcamd emu.

hieronder kun je ook zien in welke map de files heen moeten voor de verschillende emu's.

#### Newcamd-cardserver-tng11

---

/var/scce/keylist  
/var/scce/mappings  
/var/scce/ppua  
/var/scce/priority  
/var/scce/rsakeylist
